

A photograph of the Golden Gate Bridge in San Francisco, taken from a low angle looking up at the tower. The bridge's iconic orange-red color is prominent. The sky is a mix of blue and orange, suggesting sunset or sunrise. The water of the bay is visible in the foreground.

A top-down view of a dark wooden desk. In the top-left corner is a small chalkboard with a wooden frame, containing the text 'React Review'. To its right is a white cup of coffee on a saucer. Below the chalkboard is a vintage-style camera and several Polaroid-style photos. The right side of the image features a bulleted list of topics.

- **JSX (HTML-like Javascript Syntax)**
- **Props**
- **State**

```
import React, {Component} from 'react'
import Card from './Card'
```

```
class List extends Component {
  constructor(props) {
    super(props)
    this.state = {
      listItems: this.props.listItems
    }
  } ...
}
```

```
...
render () {
  return (
    {this.state.listItems.map((e) => {
      return (
        <Card title={e.name}
          body={e.body} />
      )
    })
  )
}

Developing for Mobile Works **EXACTLY** the Same

A group of about ten people are silhouetted against a bright sunset sky. They are standing on a dark, possibly grassy or dirt, area. Their arms are raised high in the air, some with hands open, suggesting a gesture of celebration or triumph. The sun is low on the horizon, creating a strong lens flare and illuminating the scene from behind. In the background, there are some structures that look like shipping containers or industrial buildings. The overall mood is one of collective achievement and optimism.

React Native uses Native Components
instead of Web Components.

What does this mean?...

A group of approximately ten people are silhouetted against a bright sunset sky. They are standing in a line, facing away from the camera, with their arms raised high in the air, palms facing forward. The sun is low on the horizon, creating a strong lens flare and illuminating the scene with a warm, golden light. The background shows a dark landscape with some distant structures and hills under a sky with scattered clouds.
